

Band Trip Fundraisers

Cheesecakes and Wreath Sales Start Wednesday, September 27th

Shorewood Band Students in grades 6-12 can participate in these fundraisers to pay for their own band trips – this year and in the future! Students have the option to sell cheesecakes, wreaths or both. Use the separate order forms and collect separate checks from the customer if they are purchasing both cheesecakes and wreaths. **Checks should be made out to SBPA** (Shorewood Band Parents Association). Payment is due when order forms are turned in. **DO NOT TURN IN CASH!** Write your name and phone number (legibly) on every order form and total all columns and rows. The amount due should equal the total of all checks received.

Order forms and checks for cheesecakes and wreaths are due in the Band Rooms by Thursday, October 26th.

Gourmet Cheesecakes sell for \$17.50 - \$21.50 and net \$6 profit per cheesecake. Each 4lb cheesecake comes pre-sliced into 14 slices. There are 14 yummy flavors including pumpkin and a variety cheesecake with 2 slices of 7 different pre-selected flavors. Cheesecakes come frozen and will keep in the freezer for 6 months.

Wreaths and Decorative Evergreens come fresh from Noble Valley Farms. Prices range from \$19 to \$75 for the largest wreath and net an average of \$12 profit per item sold.
