The above student is responsible for the indicated rental instrument for the entire year (or until the instrument is returned to the director) and liable for its loss or any damage. If the instrument is lost or stolen while in the student's care, he/she must reimburse the school for the instrument's current value (unless the theft occurs from the band room).

All percussionists will be charged a school percussion instrument usage fee of \$70.00. This fee helps to cover the costs of maintaining the current classroom percussion instruments. In addition, this fee helps to cover some of the replacement costs from normal damage caused by the day-to-day use in rehearsals from the percussionists.

The cost to repair damage due to neglect or carelessness is additional and the responsibility of the student. (Students are not responsible for repairs due to normal wear and tear.) In the event of damage to the instrument, the student should immediately bring the instrument to the director. (Do not take the instrument directly to the dealer or repair shop without the director's consent.)
